Governor Gibbons:

Nevadans for Quality Education would like to invite you to attend the town hall meeting we are hosting on January 16, 2008 at Spring Valley High School in Las Vegas to educate the public on your proposed funding reductions to K-12 education.

A number of experts will make presentations regarding the impact of these proposed cuts. The list will include: Jeremy Aguero, Lisa Mayo, Speaker Buckley, Assemblywoman Smith and CCSD School Board Trustee Sheila Moulton. Jon Ralston will moderate the discussion.

As it is your office that is proposing these budget reductions, we would like to invite you to attend.

Thank you in advance for your participation. We look forward to working with you so that all affected by the cuts will have a thorough understanding.

Respectfully,

Mary Jo Parise-Malloy
